

Product Code:890904

Product Description: Eurosmart Cosmopolitan Basin mixer 1/2" S-Size

Product Specification

Material: Chrome

Fittings:

Durability combined with a stylish design is a GROHE standard: Even after years of use, the Eurosmart Cosmopolitan bathroom tap will move as smoothly as on the first day. Water temperature and volume are very easy to adjust. The elegant design looks great in any bathroom and the standard height spout is suitable for all regular basins. GROHE stands for premium quality at a fair price.
