Additional Information

Do not clean with abrasive cleaning products

Always inspect before installation

Power shower tested

Lifeshield Nano Coating glass protection which will last for the lifetime of the Bath screen.

Click-to-lock hinge mechanism

Innovative clear glass-to-glass sealing delivers unobtrusive elegance and leak-free performance. When used under normal showering conditions & installed in accordance with fitting instructions.

15mm adjustment for uneven walls

When installed correctly under normal showering use, ie. when the shower head is in its normal showering position. Using the shower head to clean/rinse down the screen does not constitute normal showering use.

1500 x 875mm
