

Product Code: 951461

Product Description: New Tempesta 100 Hand shower 4 sprays

## Product Specification

Material: Plastic/Chrome

### Fittings:

Enjoy your perfect shower, whatever your mood, with the GROHE New Tempesta 100 hand shower and its choice of four dynamic spray patterns. That means you can opt to start your day with the gentle summer shower feel of Rain Spray, the light-as-air GROHE Rain O<sup>2</sup> spray with added oxygen for a softer feel, a Massage spray that gently pulses to relieve tension or the powerful, invigorating Jet spray. Plus our GROHE DreamSpray technology ensures that whichever spray pattern you select, the flow and temperature from each and every nozzle will be just right, making your shower as comfortable and enjoyable as can be. Its SpeedClean nozzles are designed to brush free of limescale with a simple wipe, and the durable but dazzling GROHE StarLight chrome finish keeps the shower looking stunning. For safety, a super-insulated Inner WaterGuide directs hot water away from surfaces to stop them getting too hot, and the hand shower also has a ShockProof silicone ring that prevents damage should it slip from your hands. Its universal connection makes it a perfect fit for all standard shower hoses and its German engineering means you can trust in its performance. It is suitable for installation with an instantaneous heater, and suitable for a recommended minimum 1.0 bar of water pressure

engineering and made by GROHE!
