Technical Data Sheet

KUDOS Shower Products

PRODUCT CATEGORY:

Kudos Aqua4ma CENTRAL Shower Deck & Wetrooms System

A versatile shower deck expandable to a wet floor system or a complete wet room solution.

PRODUCT TYPE:

Central waste shower deck and wet-room

Aqua4ma Central features the patented in-floor galvanised steel tray and a pre-shaped extruded uPVC shower deck which is waterproof and safe to walk on even before tiling. It can be fitted to both wooden and solid floors and can be expanded to either a wet-floor or a complete wet-room with the addition of Aqua4ma floor and wall panels. Panels are joined with solvent weld to form a solid structure that is guaranteed waterproof for life.

FEATURES:

- British Made & Guaranteed for Life against material or manufacturing defects
- Ultra low 15mm shower deck
- Suitable for use with tiled or vinyl flooring
- Simple and quick to install with no drying times
- Suitable for wood or solid floors
- Minimal joinery required
- Suitable for 18 or 22mm timber flooring
- Choice of deck sizes
- Deck can be trimmed to exact size required
- Tile cutting guide printed on the deck surface
