

TECHNICAL DATA SHEET

Product Code: 413864

Product Description: iflo Levra Monobloc Basin Mixer

Product Specification

Material:

Solid brass with a duragleam chrome finish

Fittings:

Brass back nuts

Systems:

Suitable for high and low pressure systems

Suitable for Gravity fed systems

Suitable for Unvented systems

Suitable for Combi boilers

Additional Information

WRAS approved

Features eco click for to reduce water wastage

Minimum bar pressure required 0.3 bar

Flip waste included

Pressure (bar)	Flow rate (l/m)		
	Hot	Cold	Mixer
0.3	16.45	16.14	22.82
0.4	19.23	18.99	26.71
0.5	22.24	22.18	30.05
1	28.52	29.06	41.86
1.5	34.25	35.12	50.73
2	40.45	41.46	60.92
3	49.32	50.52	73.74
4	57.24	58.49	86.49
5	64.05	65.75	96.37
