Product Name: Disposable Foam Ear Plugs 10 Pairs

Model Number: EP553-56

Reference No: P308AB00405 / P308AB00402

Std Number: EN352 – 2:2002

Wearer Information:

This product may be adversely affected by certain chemical substances. Further information should be sought from the manufacturer. For greater protection and comfort this product should be:

Fitted in accordance with these instructions

Worn at all times the user is exposed to noise

Check for damages before use

This product is intended to be disposable and should only be used once.

Store in a cool, dry place. When not in use or during transportation, the plugs should be stored in a container out of direct sunlight, away from chemicals and abrasive substances to prevent damage by physical contact with hard surfaces/items.

As required by European Health and Safety recommendations, the user is advised that when the ear plug is in contact with the wearer's skin, it may cause allergic reaction to susceptible individuals. If this is the case, leave the hazard area, remove the ear plugs and doctor's advice should be obtained. Material: Foam Ear Plug (100% Aqueous polyurethane)

WARNING: The protection afforded will be severely impaired if the fitting instructions and recommendations are not followed.
