

# SAFETY DATA SHEET

## Plumbright Sludge Remover

### SECTION 1: Identification of the substance/mixture and of the company/undertaking

- |     |   |  |
|-----|---|--|
| 1.1 | Product identifier  | Plumbright Sludge Remover  |
| 1.2 | Relevant identified uses of the substance or mixture and uses advised against | Domestic central heating treatment.<br><br>Not suitable for use in PRIMATIC single feed cylinders.   |
| 1.3 | Details of the supplier of the safety data sheet                              | Scalemaster Limited<br>Emerald Way<br>Stone Business Park<br>STONE<br>Staffordshire ST15 0SR<br>Tel: 01785 811636<br>Email: info@scalemaster.co.uk<br>Web: www.scalemaster.co.uk |
| 1.4 | Emergency telephone number  | Tel: 01785 811636<br>Only available during office hours.   |

### SECTION 2: Hazards identification

- |     |  |   |
|-----|--|---|
| 2.1 | Classification of the substance or mixture<br><br>Classification according to regulation (EC) No 1272/2008 (CLP)<br><br>Additional information   | This product has no classification under CLP.           |
| 2.2 | Label elements<br><br>According to regulation (EC) No 1272/2008 (CLP) & (EU) No 453/2010<br><br>Hazard pictograms<br><br>Signal words<br><br>Hazard statements<br><br>Precautionary statements | This product has no label elements.                     |
| 2.3 | Other hazards  | This product is not identified as a PBT/vPvB substance. |

### SECTION 3: Composition/information on ingredients

- |     |                        |  |
|-----|------------------------|--|
| 3.1 | Substances             |  |
| 3.2 | Mixtures               |  |
|     | Additional information | For full text of each hazard statement see Section 16. |

#### SECTION 4: First aid measures

4.1 Description of first aid measures

General notes

|                        |  |
|------------------------|--|
| Following inhalation   | Consult a doctor if there are symptoms.          |
| Following skin contact | Wash immediately with plenty of soap and water.  |
| Following eye contact  | Bathe the eye with running water for 15 minutes. |
| Following ingestion    | Wash out mouth with water.                       |

4.2 Most important symptoms and effects, both acute and delayed

|                           |  |
|---------------------------|--|
| Following inhalation      | No symptoms.   |
| Following skin contact    | There may be mild irritation at the site of contact. |
| Following eye contact     | There may be irritation and redness.                 |
| Following ingestion       | There may be irritation of the throat.               |
| Delayed/immediate effects | No data available.                                   |

4.3 Identification of any immediate medical attention and special treatment needed

Not applicable.

#### SECTION 5: Firefighting measures

|   |   |
|---|---|
| 5.1 Extinguishing media                                   | Suitable extinguishing media for the surrounding fire should be used. Use water spray to cool containers. |
| 5.2 Special hazards arising from the substance or mixture | In combustion emits toxic fumes.  |
| 5.3 Advice for firefighters                               | Wear self-contained breathing apparatus. Wear protective clothing to prevent contact with skin and eyes.  |

#### SECTION 6: Accidental release measures

|   |  |
|---|--|
| 6.1 Personal precautions, protective equipment and emergency procedures | Refer to section 8 of the SDS for personal protection details. Turn leaking containers leak-side up to prevent the escape of liquid. |
| 6.2 Environmental precautions   | Contain the spillage using bunding.  |
| 6.3 Methods and material for containment and cleaning up                | Absorb into dry earth or sand. Transfer to a closable, labelled salvage container for disposal by an appropriate method.             |
| 6.4 Reference to other sections   | Refer to section 8 of SDS.   |

### SECTION 7: Handling and storage

- |     |  |   |
|-----|--|---|
| 7.1 | Precautions for safe handling                                | Ensure there is sufficient ventilation of the area.   |
| 7.2 | Conditions for safe storage, including any incompatibilities | Store in a cool, well ventilated area. Keep container tightly closed. Do not allow to freeze. |
|     | Suitable packaging   | Plastic.  |
| 7.3 | Specific end use(s)  |   |

### SECTION 8: Exposure controls/personal protection

- |     |  |   |
|-----|--|---|
| 8.1 | Control parameters   |   |
|     | Workplace exposure limits  | No data available.                          |
|     | DNEL/PNEC  | No data available.                          |
| 8.2 | Exposure controls  |   |
|     | Appropriate engineering controls                                     | Avoid spilling, skin and eye contact.       |
|     | Individual protection measures such as personal protective equipment |   |
|     | Respiratory protection   | Respiratory protection not required.        |
|     | Hand protection  | Protective gloves.                          |
|     | Eye protection   | Safety glasses. Ensure eye bath is to hand. |
|     | Skin protection  | Protective clothing.                        |

### SECTION 9: Physical and chemical properties

- |     |   |                              |
|-----|---|------------------------------|
| 9.1 | Information on basic physical and chemical properties |                              |
|     | State   | Liquid.                      |
|     | Colour  | Colourless to slight yellow. |
|     | Odour   | Slightly aromatic.           |
|     | pH  | 8.0 - 9.0                    |
|     | Relative density                                      | 1.01                         |
|     | Solubility  | Miscible.                    |
| 9.2 | Other information                                     | No data available.           |

#### SECTION 10: Stability and reactivity

|      |                                    |  |
|------|------------------------------------|--|
| 10.1 | Reactivity                         | Stable under recommended transport or storage conditions.                        |
| 10.2 | Chemical stability                 | Stable under normal conditions.  |
| 10.3 | Possibility of hazardous reactions | Hazardous reactions will not occur under normal transport or storage conditions. |
| 10.4 | Conditions to avoid                | Freezing conditions.   |
| 10.5 | Incompatible materials             | None known.  |
| 10.6 | Hazardous decomposition products   | In combustion emits toxic fumes.   |

#### SECTION 11: Toxicological information

|      |                                      |  |
|------|--------------------------------------|--|
| 11.1 | Information on toxicological effects |  |
|      | Toxicity values                      | No data available.                                   |
|      | Symptoms/routes of exposure          |  |
|      | Ingestion (swallowing)               | There may be irritation of the throat.               |
|      | Inhalation                           | No symptoms.   |
|      | Skin contact                         | There may be mild irritation at the site of contact. |
|      | Eye contact                          | There may be irritation and redness.                 |

#### SECTION 12: Ecological information

|      |                                    |   |
|------|------------------------------------|---|
| 12.1 | Toxicity                           |   |
|      | Ecotoxicity values                 | No data available.                                      |
| 12.2 | Persistence and degradability      | Biodegradable.  |
| 12.3 | Bioaccumulative potential          | No bioaccumulation potential.                           |
| 12.4 | Mobility in soil                   | Readily absorbed into soil.                             |
| 12.5 | Results of PBT and vPvB assessment | This product is not identified as a PBT/vPvB substance. |
| 12.6 | Other adverse effects              | Negligible ecotoxicity.                                 |

#### SECTION 13: Disposal considerations

|      |                         |   |
|------|-------------------------|---|
| 13.1 | Waste treatment methods |   |
|      | Disposal operations     | Not applicable.   |
|      | Recovery operations     | Not applicable.   |
|      | Disposal of packaging   | Dispose of as normal industrial waste.  |
|      |                         | NB: The user's attention is drawn to the possible existence of regional or national regulations regarding disposal. |

**SECTION 14: Transport information**

Transport class This product does not require a classification for transport.

**SECTION 15: Regulatory information**

15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture Not applicable.

15.2 Chemical safety assessment

**SECTION 16: Other information**

Indication of changes \* Indicates text in the SDS which has changed since the last revision.

Abbreviations and acronyms
