- LED Technology for long life

## Key Features

- IR sensor on/off
- Integrated demisted pad
- Floating LED border
- Diffused LED's
- Cool White Light

GUARANTEE 5 YEAR

## Product overview

The Alaska is a modern, elegant mirror that would serve as the stand-out feature in any bathroom.

The floating-edge design is fully illuminated giving a fantastic, unrivalled glow. The cool white light is perfectly diffused ensuring no diodes are visible, giving a seamless effect.

The IR sensor ensures the mirror glass remains clear of fingerprints and the integrated demister pad ensures the mirror face stays perfectly clear of steam and fog.
