

Benefits

- Simple to use
- Increases storage options
- Easy to install
- Front illumination
- LED technology for long life

Key Features

- Pull cord allows for easy activation of the LEDs
- Two adjustable glass shelves inside the cabinet
- Internal illumination
- Cool white, diffused LEDs

Product overview

The Carolina illuminated LED cabinet adds storage functionality to your bathroom, with diffused illumination either side of the door.

A simple pull cord provides power to the LEDs, which also light the inside of the cabinet. The height of each of the two glass shelves can be adjusted.

Providing a home for all your beauty accessories, the Carolina is perfect for everyday tasks such as applying make-up or shaving.
