Product Details

Dimensions:
1800 (H) x 468 (W) x 87 (L) mm

Introducing the Pearl Duplex Designer Oval Tube Radiator, a perfect blend of style and functionality for your home. With its chic modern oval double tube design, this radiator not only heats your space efficiently but also adds a touch of elegance to your decor.

Enjoy peace of mind with our comprehensive 10-year manufacturer's warranty (terms and conditions apply), ensuring long-lasting performance and reliability. The Pearl Duplex is expertly crafted for use with central water heating systems, making it a versatile choice for various heating setups.

Constructed from high-quality steel, the Pearl Duplex radiator undergoes a meticulous pre-treatment process and is finished with a durable powder coating. This ensures exceptional durability and a sleek look that complements any room.

Installation is a breeze with included wall fixings, a plug, and a vent, allowing you to set up your radiator with minimal hassle. The connection size of 1/2" ensures compatibility with standard fittings.

The Pearl Duplex radiator's impressive heat output is calculated at Delta T50ï¿½ï¿½ï¿½ï¿½C, providing optimal warmth for your living spaces. It has been pressure tested up to 13 bar, with a maximum working pressure of 10 bar, guaranteeing safe and efficient operation under various conditions. The maximum working temperature of 120ï¿½ï¿½ï¿½ï¿½C further highlights its robust design.

Manufactured and tested to meet EN-442 standards, the Elegance radiator exemplifies quality and reliability. Its thoughtful design making it a practical and stylish addition to your home.

Transform your living space with the Pearl Duplex Designer Oval Tube Radiator ï¿½ï¿½ï¿½ï¿½ï¿½ï¿½ï¿½ï¿½ï¿½ï¿½ where high performance meets sophisticated design.

- Elegant designer radiator with modern oval double tube design
- Ideal for central water heating systems
