Product Details

Dimensions:
900 (H) x 30 (W) x 1400 (L) mm

Introducing the ProWarm Wetroom Shower Tray - the pinnacle of innovation for your wetroom or bathroom shower project. Crafted with precision, its sleek 30mm profile offers seamless integration, perfect for level access installations. Engineered with a robust integrated drain base, leaks are a thing of the past, while its superior waterproof coating ensures a flawless, tile-ready surface, compatible with a wide array of tiles including porcelain, stone, and ceramic. Our shower tray features a 300mm linear drain, providing efficient water drainage and enhancing the modern aesthetic of your wetroom. Experience unmatched durability with our high compressive strength design, backed by a reassuring 15-year manufacturer's guarantee. Versatility is key, as our shower tray is effortlessly customizable, allowing for easy trimming with a fine tooth hand saw to suit any space requirements. Elevate your wetroom experience with the ProWarm Linear 300 End Drain Wet Room Shower Tray where quality meets functionality.

- Solid integrated drain base
