

# TECHNICAL DATA SHEET

Product Code: 295316

Product Description: iflo Calm Basin Mixer Tap (No Waste)

## Product Specification

**Material:**  
Solid brass with a duragleam chrome finish

**Fittings:**  
Metal & Rubber C Plate  
Bolt and nut  
Flexi Inlet Tails

**Systems:**  
Suitable for high and low pressure systems  
Suitable for Gravity fed systems  
Suitable for Unvented systems  
Suitable for Combi boilers

## Additional Information

Always inspect before installation

Do not clean with abrasive cleaning products

WRAS approved

Pressure (bar)	Flow rate (l/m)		
	Hot	Cold	Mixer
0.1	2.40	2.56	4.76
