

Product overview

The Alaska is a modern, elegant mirror that would serve as the stand-out feature in any bathroom.

The floating-edge design is fully illuminated giving a fantastic, unrivalled glow. The cool white light is perfectly diffused ensuring no diodes are visible, giving a seamless effect.

The IR sensor ensures the mirror glass remains clear of fingerprints and the integrated demister pad ensures the mirror face stays perfectly clear of steam and fog.

Mechanical Specification

Dimensions (mm) (H x W x D)	Weight (Kg)	IP Rating
ø600 x 63	5.2	IP44
700 x 500 x 63	5.7	IP44

Benefits

- Designer features at a competitive price point
- Matt black, brushed brass and chrome finishes
- LED technology for long life

Key Features

- IR sensor on/off
- Integrated demisted pad
- Floating LED border
