

# TECHNICAL DATA SHEET

Product Code: 215684

Product Description: UCP Unbranded Fan Assembly WFFB0226-0012P50

## Product Image:

## Product Details

### Dimensions:

220 (H) x 200 (W) x 180 (L) mm

The UCP Ultimate 50FF Fan Assembly 2000800432 is a genuine unbranded alternative to the Glow-worm Ultimate 50FF Fan Assembly 2000800432. The boiler fan is the part that injects fresh air in to the combustion chamber. This enables the gas to be burnt correctly. It also clears the combusted gas after the combustion process is complete.

This part is designed for the Glow-worm Ultimate 50FF
