

# **VISCO-SAN** **TOILET CLEANER** **& DESCALER**

## **CLEANS, DISINFECTS, DESCALES and DE-ODOURISES**

A blue coloured, perfumed cleaner and descaler designed to kill bacteria and remove organic encrustation from urinals and toilets. The regular use of **VISCO-SAN** helps to remove the source of unpleasant odours, and keeps drainpipes clear and free running.

- **VISCOUS, CLINGING FORMULATION**
- **POWERFUL AND FAST ACTING**
- **DEEP CLEANING**
- **FULLY BIODEGRADABLE**
- **ALSO CLEANS AND DESCALERS SINKS, SHOWERS AND BATHS**

✓ Rapidly dissolves lime scale, rust, water stains and organic soils without brushing

✓ Kills germs and odours at source.

✓ It has a “cling thick” action to rapidly dissolve deposits even under the water line.

✓ Contains perfume oils to leave a fresh clean long lasting fragrance.

✓ Can also be used to remove algae and slime from swimming pool surrounds to restore safe non slip conditions.

✓ Fully biodegradable – environmentally acceptable as it will not harm plants, animals or bio-sensitive sewer systems
