

TECHNICAL DATA SHEET

Product Code:

672647

Description:

Mini Pack (Basin / Furniture) (with Mirror)

Specification:

Size: L 450mm, W 250mm, H 575mm

Material: Vitreous China / Particle Board / Melamine

Finish: White (Basin) / Textured Oak (Unit)

Installation Type: Wall-hung

Clean regularly with warm soapy water (to stop the build-up of dirt and limescale), rinse with cold water, dry and polish with a soft dry cloth. A cream or liquid cleaner can be used.

Occasional use of mild bathroom limescale removers is acceptable if used in accordance with the manufacturer's instructions, rinsing off immediately with cold water.

Use of bleach in the toilet bowl is acceptable.

A ceramic rubber can be used to remove metal marks or minor blemishes.

In hard water areas we strongly recommend that inhibitors or water softeners are fitted during the installation to help prevent limescale attack. Do ensure that in hard water areas periodic checks are made to the diaphragm washer, located on the bottom of the flush valve.

Do not put bleach products (such as bleach blocks or tablets) in the actual cistern as this can damage the internal fittings and will invalidate the warranty of the internal parts. Do not put strong cleaners or bleach in the products to stand overnight. Do not mix different cleaners in the WC as they can cause a chemical reaction and give off poisonous gas.

Clean furniture with a soft, clean and damp cloth, warm water and a mild household cleaner (such as washing up liquid) Any stainless steel parts should be cleaned with a soft, lint-free cloth and non-abrasive stainless steel cleaners. Ensure the bathroom is well ventilated to ensure the quality and appearance of the furniture is maintained.

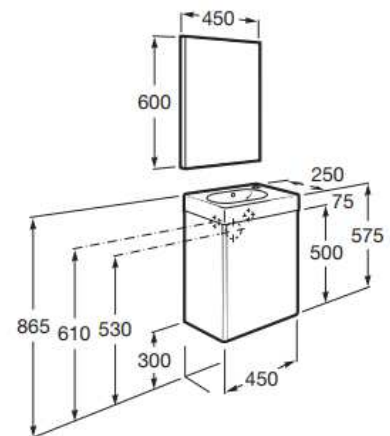

Do not use abrasive cleaners or sharp objects when cleaning. Do not leave chemicals such as hair dye, nail polish remover or perfume on surfaces, similarly to not leave water to stand of the furniture surface, wipe clean.

Do not overload the drawer units as this can damage the drawer runners.
